THE BRITISH ENDODONTIC SOCIETY **REGIONAL MEETING 2025**

Small things matter

Friday 21st and Saturday 22nd November

The Belfry, Birmingham

Friday 21st

09:00 – 10:00 Registration and Refreshments

10:00 – 12:45 **Table Clinics**
Each Table Clinic will last 25 minutes with 5 minutes for discussion and will be repeated four times at 10.00 – 10.30 hrs, 10.45 – 11.15 hrs, 11.30 – 12.00 hrs, 12.15 – 12.45 hrs. They offer an opportunity for close intellectual contact with the speakers and facilitate an environment to ask questions in a small group setting. These sessions are very much about gaining clinical tips and tricks from highly regarded experts in their field that you can take back to use in your practice the following week. There is no requirement to pre-book.

Table Clinic A
Getting the most out of your operating microscope
Dr Julian Webber

Table Clinic B
Margins, matrices and moisture control – creating an ideal tooth tissue / material interface in compromised situations
Dr Kreena Patel
